

Engine Oil

Ambra UNITEK 10W-40

Range:

Long description: PETRONAS Ambra UNITEK is a synthetic based engine oil developed in collaboration with NEW HOLLAND and FPT for Tier4 Interim/Stage IIIB and Tier4 Final/Stage IV engines fitted with HI-eSCR system, common rail injection, particulate filter and variable geometry turbine. Its low SAPS formulation offers high protection for the particulate filter against combustion residues.
