

Hydraulic Oil

PETRONAS Arbor HYDRAULIC 46 BIO-V

Range:

Long description: PETRONAS Arbor Hydraulic 46 Bio-V is a high quality high viscosity index hydraulic fluid specifically for high pressure hydraulic systems of farm machines, combine harvesters and of earthmoving machinery. PETRONAS Arbor Hydraulic 46 Bio-V is a vegetable based formulation providing high biodegradability to prevent environment pollution in the event of any leaks from the circuit.
