

Hydraulic Oil

PETRONAS Arbor HYDRAULIC 68

Range:

Long description: PETRONAS Arbor Hydraulic 68 is a high quality hydraulic fluid specifically for agricultural and construction machinery when it's not required a high viscosity index lubricant. PETRONAS Arbor Hydraulic 68 provides high protection of the components of the hydraulic system against wear and corrosion. Its demulsive and antifoam properties deliver lubricating continuity preventing cavitation and removing the heat. PETRONAS Arbor Hydraulic 68 contains special additives, which give the fluid the indispensable antioxidant characteristics for withstanding the thermal stress to which it is subjected.
