Engine Oil

PETRONAS Syntium 7000 0W-8

Range: PETRONAS Syntium 7000

Long description: PETRONAS Syntium 7000 0W-8 is specially designed to meet the demanding requirements of latest high-performance cars and meets the JASO GLV-1 (please refer to the owner's manual). It is formulated with environmentally friendly low SAPS lubricant technology to ensure the maximum performance of exhaust aftertreatment devices. It is also suitable for naturally aspirated and turbocharged direct injection petrol passenger cars operating under severe conditions (please refer to the owner's manual).
