

Engine Oil

Selenia WR 5W-40

Range:

Long description: Selenia WR 5W-40 is a highly selected synthetic-based oil developed in collaboration with Fiat for passenger cars with direct injection EURO 4 engines, both aspirated and turbo-charged. Developed to fulfill the requirements of the latest generation of diesel engines (common rail), with enhanced power and revolutions per minute. Its formulation with particular additives ensures complete protection of the engine.
