

Engine Oil

Selenia DIGITEK P.E.

Range:

Long description: Selenia DIGITEK PURE ENERGY 0W-30 is a fully synthetic lubricant formulated for today's passenger car petrol EURO 6 engines. Its particular viscosity grade and formulation help optimise fuel efficiency levels and to reduce CO2 emissions . Specially formulated for the TwinAir two-cylinder engines, it enables maximum protection even under high mechanical stress caused by the "start-stop" driving conditions in city traffic.
